

Headteacher's Message

We started the week with lovely sunshine and we have ended the week with snow-the children were very excited!

We have nearly reached the end of a very busy half-term and I am so proud of all the learning that has happened so far. I am also pleased to see that lots of our children are accessing Times Tables Rockstars. Keep it up rockstars!

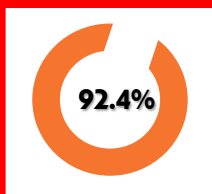

Mrs James

Don't forget to read the notices on the back of the newsletter.

Attendance

School Attendance 21st-25th March

Our school attendance for last week has gone down to 92.4%. This is very low for our school and we would like to urge parents that children should attend school everyday. All classes cover new learning objectives daily so for your child to get the best out of their education, they should be in school on time, everyday.

The class with the best attendance last week was Year 2. Well done Year 2, Keep it up!

Before and After School

If you are dropping off children early, you must book them into the before school club. Class teachers will not be able to look after children for you. This also applies for if you are late collecting at pick up time.

Children who are dropped off early or are still at school by 3:15pm will be put into before/after school club and you will be charged.

Please ensure that children who walk to school are also arriving at a suitable time. We do not want children gathering outside the front of school before the gates have opened.

To book your child into club, please contact Mrs Evans on 01788 814399 or email rokebyprimary@stowevalley.com

Please note there is no after school club on Thursday and Friday. Children who are not in extra curricular clubs will need to be collected from their class doors at 3:05pm.

WE'RE HIRING!

Our cleaning vacancies are still open. Pop into the office or head to our website for the application form.

Phones at School

If children are bringing phones into school they are required to hand them into the class teacher at the start of the day. The class teacher will then give the phones back to the children at the end of the day. Children should not be using phones when at school. This includes those in after school clubs run by us and by outside companies.

Year 6—Soup Tasting

Dogs on School Site

Please remember our furry friends are not allowed on school site. We also ask that you do not leave dogs tied up outside of school as not everyone is comfortable with dogs.

Year 4—Firing Catapults

Trip Information

Year 3—Black Country Museum, 8th April
Nur, Rec and Year 1—Animal Workshop, 25th April
Year 2—Twycross Zoo, 27th April
Year 5/6—Oakerwood Residential 13-15th July

Happy Friday! 😊

Rokeby Reporters

How to make a paper boat.

You will need 1 sheet of A4 paper.

Have the paper landscape.

Fold in half.

Fold the two top corners to the middle to make 2 triangles.

Fold the remaining bottom part over the 2 triangles.

Open one flap and fold it back.

Open up the boat.

By Chloe in Year 6.
