Headteacher's Message

Another brilliant week at Rokeby. The Year 6 children have been amazing this week, handling the pressure of their SATs. They start swimming next week so please ensure they come into school with their kit and a packed lunch. We've also had some new faces at school. Everyone has settled in very well, it has been a pleasure to see them making friends in their classes.

Mrs James

We are a NUT FREE school!

There are children in school with **severe** nut allergies therefore nuts and food items containing nuts such as cereal bars are not permitted at school.

Please avoid sending your child to school with any nut products.

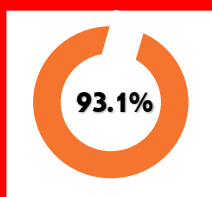

Jubilee Day—Tuesday 7th June

Wear your red, white and blue, enjoy a special street party themed menu and take part in fun activities with your class.

Walk to School Week commences 16th May. Teachers are keeping track of how children are getting to and from school so get those steps in!

Attendance

School Attendance 3rd to 6th May.

The whole school attendance for last week was 93.1%

If your child is off school for any reason or has an appointment during school time, you must inform the front office so we can mark the register appropriately. Please let us know by calling 01788 814399 or emailing rokebyprimary@stowevalley.com before 9:05am.

Year 4 have achieved the best attendance last week with 97.7%

Keep up the great attendance!

Tuesday 17th May—Crazy Shoe Day!

Here are some ideas on how you can customise your shoes for our Crazy Shoe Day.

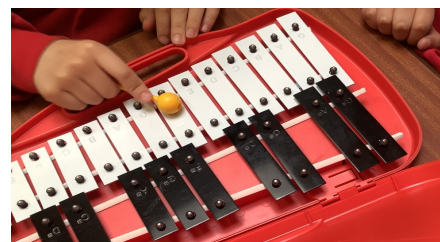

You could paint them bright, funky colours or stick items such as buttons, pompoms and glitter to them. You can even try switching up the laces! We can't wait to see all your wonderful shoes on Tuesday! There are prizes up for grabs for those who wear the craziest shoes.

What Have We Been Learning About?

Year 3 have been very musical, with help from Mr Murphy they have been learning how to write music, play the drums and use glock-enspiels.

The Nursery children began their Animals topic by thinking about the different types of pets that families keep. They enjoyed having Poppy and her owner come to see them so they could learn about how to care for a dog.

Year 4 have been food tasting this week, the children got to try a range of fruit and vegetable as we are designing a healthy lunch box. Surprisingly spinach was a firm favourite. We also recreated The Bridal March by Wagner in music, using Glockenspiels and percussion instruments.

20/07/22	Last Day Of School
21/07/22	School Inset Day School Closed

Important Notice

Please ensure you book before and after school clubs in advance so we can cater our activities to the number of children attending the club.

Children who are arriving at school early or being collected late will be taken to club and you will be charged for the session.

We understand a lot of children are collected by older siblings however this has caused a large amount of pupils left waiting in the office space for a long period of time at the end of the day.

Collection time is 3:05pm from the classroom door.

Please also ensure you have sent written permission if your child is being collected by someone unknown to the school or if your child is walking home on their own. We must also be made aware of children who are being collected by siblings/going home with friends.
