## Headteacher's Message

Finally, the sun has graced us with its presence and what a joy it has been to get the children doing more learning activities outside. Also this week, the children have bid a fond farewell to our duckling as they head off to various new homes around the country.

The children have loved having them in school and we hope to have some more next year.

We will be putting a further emphasis on attendance over the remainder of the year. Now the COVID situation is much improved, we expect children to be in school every day unless testing positive.

Mrs James

## Polite Reminder

The road outside of school gets very busy at the start and end of the school day. Please drive and park sensibly outside of school. There are 3 schools along this road and we are aware that it may be frustrating trying to get through the traffic but please behave courteously towards other drivers and pedestrians including school staff.

We would like both staff and students to start each day as stress free as possible so please keep this in mind when arriving to school.

## Downs Syndrome Awareness Day.

Monday 21st March 2022

Our Year 2 class did some great signing and singing to raise awareness for Downs Syndrome on Monday.

Miss Emily led the group along with Miss Alice and they performed some wonderful songs.

**We are so proud of you Year 2.  
Keep up the great signing!**

You can watch the videos on ClassDojo.

## Attendance

School Attendance 14th-18th March

It is really important your child attends school, on time everyday. You can support your child's attendance by ensuring you have a good morning routine, they are eating healthily to avoid catching colds and other illnesses and you book appointments out of school time where possible. When children are late it can affect the learning of the class. They also miss the time where they can settle into class with the other children.

| Minutes late per day | Learning time lost in a year |
|----------------------|------------------------------|
| 5 minutes            | 3½ days                      |
| 10 minutes           | 7 days                       |
| 15 minutes           | 10 ½ days                    |
| 20 minutes           | 14 days                      |
| 30 minutes           | 21 days                      |
