Spring Listening Moment

Sit quietly in your garden for a few moments. Listen to all the different sounds you can hear. Can you hear the wind or the birds? Talk quietly with a grown up about what you heard.

ARTS AND CRAFTS

Make a fork print Easter chick. Post a photo of your card on Class Dojo to say a "High Five" and Happy Easter to all your Reception friends.

If you prefer, make an Easter bonnet or hat. Strike a pose and post a picture on Class Dojo of you wearing your hat. Big smiles please!

NATURE ACTIVITIES

Can you find natural materials to make an Easter egg picture? Take a photo of your egg.

SING-A-LONG

Have a karaoke sing-a-long with your family. There are lots of Easter songs for Early Years children on the internet or you could just sing your favourite song for one another to join in.

BE PHYSICAL

Hard boil some eggs. Decorate them using markers. Have an egg and spoon race with a member of your family or an egg and spoon relay race if you have enough people for teams. If you don't have eggs, find a small object you can balance on a spoon. You could also try an egg rolling competition to see who can roll an egg (or ball) the furthest. You could measure each distance the egg/ball is rolled using paces or giant strides so you are practising counting

PLAY OUTSIDE

Easter Egg Hunt!

Hide plastic eggs or even pictures of eggs around the garden or home! Can you give a family member a clue to find it? Can you use lots of positional language ie under, next to, on top, behind.

Fancy a challenge?

Can you write a clue? What phonemes can you hear...On the pot. Use your robot arms!

READ

Easter Name Hunt

Ask a grown up to write the words, cat, hop, pot, tap on pieces of paper. Then ask the grown up to hide the letters around your home or garden. When you find a word can you segment and blend it to read it with your grown up! Why not test your grown up by writing a word for them to find!
