

RECEPTION CLASS LETTER

AUTUMN TERM 1

Dear Parents/Carers,

Welcome to the Autumn Term at Rokeby.

Some of you are familiar with the school and Early Years area, and the step to Reception was a straightforward progression. Some are new to the school, and we want to assure you all that we are keen to help your child to settle quickly and happily.

We are very lucky that in Early Years we see our families daily as you bring and collect your children which helps us all to get to know one another. Please feel confident to ask us any questions you may have.

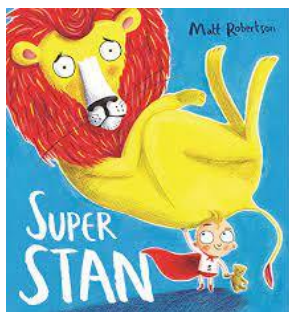

F2

Our Topic

Our Reception topic for this half term is:

Superheroes

We will be reading stories to the children including Super Stan, Super Potato and Pumpkin Soup and We're Going on a Leaf Hunt as a focus for finding out about what happens during Autumn. Please ensure that your child has a pair of wellies in school for Autumn Welly Walks!

Class Dojo

Thank you to all the families who have already provided email contacts so that we have been able to invite you to join Class Dojo. We use Class Dojo to post messages, reminders and updates to families on the Class Story page. There is also a messages page where you can send messages privately.

If you have not yet joined Class Dojo, please speak to us about joining. Dojo rewards are given to the children for showing good qualities in Reception and we have a Dojo Shop where children can use their rewards in exchange for various items of their choice.

Reminders

Please make sure your child has a named water bottle in school.

Keep sending us pictures and messages of the lovely things your children get up to at home via class dojo.

We want to include these in your child's learning journal so that we have a complete picture of what they can do. Your information helps us to know your child's interests and to build upon them.

Useful Websites to try at home

<https://www.bbc.co.uk/cbeebies>

This website has lots of games, puzzles, songs and stories for our children to explore.

[Topmarks Education: teaching resources, interactive resources, worksheets, homework, exam and revision help](#)

This website has lots of fun maths games to try.
