A summary of guidance for educational settings, at the time of print, can be found below, however families should use the .gov and NHS websites for the most up-to-date advice.

COVID-19: guidance for education settings

- staff, young people and children should stay at home if they are unwell with a new, continuous cough or a high temperature to avoid spreading infection to others. Otherwise they should attend education or work as normal
- if staff, young people or children become unwell on site with a new, continuous cough or a high temperature they should be sent home
- clean and disinfect regularly touched objects and surfaces more often than usual using your standard cleaning products
- supervise young children to ensure they wash their hands for 20 seconds more often than usual with soap and water or hand sanitiser and catch coughs and sneezes in tissues
- posters and lesson plans on general hand hygiene can be found on the [eBug website](#)
- unless you have been directly advised to close by the local Public Health England Health Protection Team, we recommend all education settings remain open

Science Week was a huge success!

2P planted potatoes; Nursery examined magic beans; 3K & 4M were treated to an incredible illustration of sound through dancing ketchup; 6BW acted out the human digestive system—everyone had the opportunity to take part in exciting experiments. Keep an eye on your class newsletters for more details. Huge thanks must go to all the staff who facilitated such engaging and exciting learning.

DIARY DATES

Mother's Day Shop—this will be carried out by teachers and TAs

Smoking

Please can you consider other families and children when smoking in close proximity to them outside the playground gates. Where possible, wait until you are in a more open space before lighting your cigarette.

Rokeby Primary School is committed to safeguarding and promoting the welfare of children and young people and expects everyone to share this commitment.
